

JOIN US!

The San Juan Trail Riders is a non-profit organization dedicated to promoting the needs and interests of OHV enthusiasts throughout the San Juan Mountains area, while preserving the natural beauty of our wild lands and fostering compatibility and courtesy between forest users.

We'd like you to join us!

- 1 We provide an organized network for enthusiasts to make contact and build camaraderie, share interests and ideas.
- 2 We promote active participation in OHV trail management and other civic activities.
- 3 We maintain a focused and ongoing dialogue with the San Juan National Forest, BLM and other public land planners.
- 4 We educate OHV users to "Tread Lightly" conservation practices and other trail use issues.
- 5 We encourage cooperation and coordination between other forest user groups and organizations.

Individual membership is only \$20.00 per year or \$38.00 for 2 years. Family memberships are only \$35.00 per year or \$65.00 for 2 years. The first year's membership includes one of our cool member t-shirts!

Dues go toward printing and mailing our member newsletter, producing and maintaining our member web site, and funding our various activities.

The web site is a great resource for important news on OHV events and activities; a calendar of local and regional events, meetings and activities; a bulletin board and directory of members to set up group rides and make contact with other members; and links to other groups and sponsors' sites.

Get involved! Have fun! Help contribute to a productive and worthwhile organization!

Additional t-shirts are only \$15.00!
